FAIRYTAIL

Chapter 75: Dream of a Butterfly

You can go home now.

Absolutely true! Celestial spirits are meant for love!

Celestial wizards don't use their spirits as punching bags or sparring partners!!

Here I am, knowing everything a guy needs to know to be a dragon slayer! But what's the point if I don't have a dragon to fight with?!

A dragon!! What else?!!

Here!

FLIP
ポラ

Wait just a minute!

I can't spend long amounts of time in the human world anymore...

These are tickets to a resort hotel I intended to go to with my girlfriends, but now...

What are these?

And
so...

HYAAAAA!!

...we've
come here
to have
some
fun! Here
at Akane
Beach.

At
the
seaside
!!!

Since I
feel that
I owe you
people...

...they're
yours.
Go and
have fun!

Yaay
!!!

So have
fun, every-
body!

I've
already
given a
ticket to
Erza.

KYLLOOM

きゅろむ

I've never
stayed at
a hotel as
expensive as
this!!

Ooooh
!!!!

That was
way too
fast!!!!

GWAAAM

Do you
want to
get left
behind?

So what
are you all
standing
there for?

RATTLE

RATTLE

CLATTER

CLATTER

Erza...
Freedom does not
exist in this world!

It's true. I just feel more at ease in armor.

Heh heh... I guess there is no help for a woman like me.

Heh!

Wh-
What
do you
think
you're
doing?
!!

AAAAHH

He's
got
a
gun
!!!

Eeeee
!!!

Vag's
viz dis
jawk?!

Va...

Juvia
wants
to join!

Ack! Don't
tell me you
want to join
Fairy Tail?

But with the
stuff you guys
did...I don't
mind if you join,
but I wonder
what the Master
will say...

Now
Juvia has
become
a free
wizard.

GLEAM

Yes.

I heard
Phantom's
been
disbanded,
huh?

Tell me
where
Erza is.

Get
it?

FAIRY TAIL

Chapter 76: The Tower of Heaven

Juvia
will take
you
on!!

You
will not
lay a
finger on
Gray-sama!

There is
danger
gathering...

...around
Erza!

Juvia...

So...

...I can
just do
the clean
up, huh?

You
already
found
her?

Oh!
Fine.

BZZT

Hm?

The only way to be a dandy is to keep your emotions in check! Get it?

HI VEET
HI VEET

?!

Now don't go playing dirty tricks on Erza, Shô!

HI VEET
VEET HI VEET

I- I know that voice... Wally?

Eee !!!

Look at you!! Getting all sexy on us!!

Why are you so surprised?

You've got magic, too...?

RATTLE RATTLE

I don't blame you for not realizing it was me right away. Compared to when I was known as "Mad Dog Wally," I'm far more *well rounded!!!*

*That is,
until you
betrayed
us!!*

Simon
?!

Isn't
that
right,
Erza?!

Anybody
can do
magic once
you get the
knack!

Why
did
he call
you his
sister?!

Erza...
Who are
these
people
?!

Uff!!

WHUMP!

And we
were
once
close
friends!

Because
I'm her
little
brother.

Let Lucy go... please?

Why are you guys here?

They're... talking about before that.

Friends?! Erza has been at Fairy Tail ever since she was little, right?!

Let's go home, Sis!

Myaa!

We're here to bring you home! Get it?

N-No!!

I'm begging you!! Please don't!!

GACHAK

Eeee!!!

And if you don't do like we say...

*Jellal
will be so
pleased!!*

*Back
to the
Tower of
Heaven!!*

FAIRY FAN

Chapter 77: Jellal

I
won't
let him
get
away!!!
Wait
up!!!!

He does!
His nose
is sharper
than any
animal's!!

I would,
but who
knows where
they went?!

Let's
go
after
them!

オオオオオ
oooooooo

That
would
never
do.

Ha

ha!

Ha
ha...

For a man of
your magical
prowess, it
should be easy
work to finish
her off.

ヘ

HEH

*This
world is
simply
no fun!!*

The
time
has
come!

...it would
only cause
problems if
we allowed
her to live
any longer.

However,
now that
the Tower
of Heaven is
complete...

?

Sir?

Inside
the hold
of a
boat,
Sis.

Shô!

Where
am
I?!

Kh!

GRNN

I
see...

So
that's
how
it is...

A
boat?

Exactly.
A boat
bound
for the
Tower of
Heaven.

Kh!!

GRNN

You see,
Sis...
You're a
traitor.

Not
possible,
I'm
afraid.

Could you
untie me?
I have no
intention of
resisting.

No wizard
can do
anything
while bound
by them. Not
even you.

Don't
even try.
Millianna's
Tubes seal
your magic
away.

I don't
want to
go back
to the
tower...

I'm
fright-
ened...

A-All right...
At the very
least, can you
let me requip
into my
armor?

But you
look lovely
in that
dress, Sis.

If I'm
not
wearing
my
armor...

...I
can't
bear
it...

*Why
did you
betray
Jellal?!!!*

Jellal...

Wally,
your voice
is even
louder than
Shô's!

Shô!!!
Keep your
voice
down!!!

Heh heh...
Sorry,
Millianna!

SLUMP
SLUMP

Sis,
over
here!!

Hurry
up!!

FAIRY TAIL

Chapter 78: Heaven Over There

The
Magic
Council
chamber,
Era.

*That's
impossible
!!!*

*You're
saying
that the
R-System
still
exists?!!*

You're talking
about those seven
towers, right?
The Council took
those down. Even
their ruins should
be gone.

Eight years
ago... A
religious
sect that
worshiped
black
magic...

...gathered
vast amounts
of money.
Their plan was
to build the
R-System.

It has far too great an effect on the public!! Its use could cause panic!!!

The R-System is forbidden magic!!!

Shut your mouth, Sieg!! It doesn't matter what anybody calls it!!!

Yes, I think somebody did name it that...

We don't know...who we're up against?

However, until we know who we're dealing with...

I want the military dispatched immediately!!!

We must get it under control without delay!!!

It's some mysterious man calling himself Jellal.

What?!

The force in possession of the R-System at present doesn't seem to be the old religious cult.

Ceremony?
You mean
you're going
to start
up the R-
System?!!

What do
you expect?
You're the one
who betrayed
us, Sis.

Jellal
was
really
mad.

The
"ceremony"
takes place
tomorrow
at noon.

You'll
wait
here
until
then.

So it had
to be you
who would
be the
sacrifice
for the
ceremony!

It's
making
you
tremble
?

But it's
all for the
sake of
Heaven!

It
means
that I'll
never
see you
again.

Or is
it this
place?

Are you
afraid to
become the
sacrifice?

You
thought
you
could get
away so
easily?!!

*You
little
brats
!!!*

!!!
...this time only, we'll just punish one of you.

Wait a moment. We can't afford any delays right now.

Normally we'd deal out punishment to everyone, but...

You run off at a time when we need to get the R-System up and running as fast as possible!!

See how nice we can be? Heh heh heh...

We'll punish only that one.

So who's the bright kid who came up with the escape plan?

Huh? You know what the R-System is? I didn't expect that.

I don't care about that.

What's more important is whether you know how dangerous it is to bring people back to life using the R-System.

There are no human laws when it comes to magic.

All magic leads to the decline of human civilization.

The Revive System.

It's a forbidden magic that breaks the laws of humanity.

You sacrifice one person to bring one other person back to life.

They thought of the R-System as simply a way to return the soul to the body. It was just a method of coming back to life.

But Jellal isn't like them!!

That's exactly what black wizards say. You're just like them!!

*We'll
bring
terror
and
sorrow
to them
all
!!!!
Then
we will
take
away all
of their
freedom
!!!!
We will
control
the
entire
world
!!!!
Aaa
aaaaah
!!!!*

*The
remnants
of the
group
that took
away our
freedom...
Those new
friends
you
haven't
betrayed
yet...
Those
mindless
minions
who roam
the world
without a
thought
in their
heads...
That
idiotic
Council...*

SIS!!!
#さん!!!

What
could you
have done to
make a person
change that
much?!!

 FAIRYTAIL

It is
also
called the
R-System.

This
building's
name is the
Tower of
Heaven.

They knew that the
Council and civilian law
would forbid them
from building the
towers, so they
abducted people
from the surrounding
areas and enslaved
them as
forced labor.

Revive
the
dead?!!

...tried to
build towers
that use
magic to
revive the
dead.

More than
a decade ago,
a magic
religious cult
dedicated to
Black
Magic...

ideal...

Back then,
Jellal had a
true sense of
justice. He was
everybody's
leader.

We
stood
up and
fought to
save
Jellal.

We
fought
for
freedom...

It's a

Listen, punk!
Can't you
understand
that building
the R-System
is a sacred
duty?!!

...

The
greatest
black
wizard
of them
all will be
reborn!!!

The R-
System will
bring our
God back
to life!!!

You've paid
the brat back
enough for his
mouthing off.

Is that
any way
to talk
to a
priest?!!

Shut
up,

What
did that
brat
say?!!

Wha-

Let's
go!

KACHANNG

the other
side of these
walls!!!

You will bow
down and
worship
God!!! But
until that
day...

They've
scheduled us for
riot suppression
duty this
afternoon.

Even if there
was, a God
who can't
save one little
kid doesn't
deserve to
exist!!

There
is no
God.

God...

... huh?

I
hate
them
all!!

I hate them!!
I hate their
God!! I hate
everything
in the
whole lousy
world!!!

Hate...

I
hate
them...

Human hate
makes me grow
stronger.

What
amusing
creatures...

After all, I
am here, so
close to them...

!!!

Where
are
you?!!

...and they
go to all
the trouble
to give me
flesh.

Wh-
Who's
there?!!

You can
meet
firsthand
the God
they so
revere.

Ah, but
you are the
lucky one,
child...

Come
out where
I can see
you!!!

But it is
only your
'hate' that
allows you
to sense my
presence.

They
can have
all the
'faith'
they
want.

I am
called
Zeref!!!

And
hate is
my
existence!!!

We can't
do it!!! There
are just
too many
guards!!!

We have to
free everyone
up to Sector
8 today!!!
Come on,
people!!!

It's
the only
way to
save
Jellal!!!

We
have
to!!!

Well,
I have
always—

Wh-What
are you
asking
me?!! Look

You still have
a world of
possibilities.

Grandpa
lost his
magic long,
long ago...

That's right.
Everything
starts with
a heart that
has faith.

Heart
?

Only those
with faith can
feel it, and
that's why
it can work
miracles.

Try to think
of magic as
being from the
same group as
religion, faith,
healing, and
fortune-
telling.

Only
they
can use
magic!

Those with faith
in the existence
of magic; faith
in their own
power; and faith
that they are
living alongside
nature...

HO
HO
HO!

And fly
through the
sky on a
broomstick!!

Maybe
in the
future...
I can work
magic,
too!

Magic?

I think
that's
cool!

Flying

Flying

But they were "believers"... Believers could never feel Zeref's existence.

I've come to understand a little about how these people feel. They were trying to revive Zeref.

I will take possession of this tower!!

I will complete the R-System and see Zeref's rebirth!!

Eeee!!!

Am I right?!

!!!

HEHN!!

Wh-What happened to you, Jellal?

I don't understand a word you're saying—

Jellal... Pull yourself together! I know days of torture can do something like this, but...

I'm perfectly normal!!

Ah ha ha ha ha!!!!

Stop talking dumb!!!

We have to get off of this island!!!

Pwink LO

And with it, revive Zeref!!!

Erza, let us rebuild the R-System together... No!!! We will rebuild the Tower of Heaven!!!

What are you talking about? Everybody else is already aboard the ship just waiting for us!!

There's no way they'd come back here to do slave labor again!!!

I'll give everyone clothes, food, even days of rest.

No need to worry. I'm not like those guys.

Control via fear and force make for bad workmanship.

CHANK

CHANK

Happy's Little Job

The End

AFTERWORD

In this volume, we plunge right into the Erza story!! You know, it's kind of hard to get the balance between the heavy dramatic stuff and the fun stuff! I try to get even a small laugh at least once into every chapter, but really, these dramatic scenes truly get in the way! This series of episodes is extremely heavy, but upon second reading, there were a lot more fun scenes than I expected (sweat sweat)!

By the way, does anybody have any guesses why there are butterflies when we first go into Erza's flashback scenes? Actually this was left over from an idea that was rejected. Does anybody out there know of the Chinese story, "The Dream of the Butterfly"?

One day, there was a man who dreamed that he was a butterfly. When he awakened, an odd thought struck him. Could it be that my life as a butterfly was real? That I am not a man dreaming that I am a butterfly, but...

I was thinking of using a plot like that. That the present Erza is actually just the young Erza's dream of the future. Or something to that effect. But if I were to use that idea for real, what would happen to Natsu and Lucy and everybody else?! And I thought about it for a few weeks, and now the idea can only be found in those remnants. Keeping it would have made the story very complicated!

Also, there is a one other secret that's part of this episode. It's a very mean-spirited, evil plot (ha ha)! Those in the know will know what I'm talking about! And those who don't will have the enjoyment of watching the whole thing unfold. It will all become clear in volume 11...or maybe volume 12? Any of you who were fooled should scream out the words as follows:

"Mashima, you meanie!!!"

And I'll give you my answer in advance,

"I'm sorry!!"

About the Creator

HIRO MASHIMA was born May 3, 1977, in Nagano Prefecture. His series *Rave Master* has made him one of the most popular manga artists in America. *Fairy Tail*, currently being serialized in *Weekly Shônen Magazine*, is his latest creation.

Translation Notes

Japanese is a tricky language for most Westerners, and translation is often more art than science. For your edification and reading pleasure, here are notes on some of the places where we could have gone in a different direction in our translation of the work, or where a Japanese cultural reference is used.

General Notes: Wizard

In the original Japanese version of *Fairy Tail*, you'll find panels in which the English word "wizard" is part of the original illustration. So this translation has taken that as its inspiration and translated the word *madôshi* as "wizard." But *madôshi*'s meaning is similar to certain Japanese words that have been borrowed by the English language, such as judo (the soft way) and kendo (the way of the sword). *Madô* is the way of magic, and *madôshi* are those who follow the way of magic. So although the word "wizard" is used in the original dialogue, a Japanese reader would be likely to think not of traditional Western wizards such as Merlin or Gandalf, but of martial artists.

Names

Hiro Mashima has graciously agreed to provide official English spellings for just about all of the characters in *Fairy Tail*. Because this version of *Fairy Tail* is the first publication of most of these spellings, there will inevitably be differences between these spellings and some of the fan interpretations that may have spread throughout the Web or in other fan circles. Rest assured that the spellings contained in this book are the spellings that Mashima-sensei wanted for *Fairy Tail*.

Dream of a Butterfly, page 3

The story that Mashima-sensei notes in his Afterword is a retelling of a story told in a book by the ancient Chinese philosopher Zhuangzi (also known as Chuang Tzu, 369–286 BC), who is considered to be one of the two greatest philosophers of Daoism. While Confucianism was based on self-sacrifice and conformity, the Daoism of Zhuangzi was the opposite, based on individual freedoms and escape from society and its pressures. Zhuangzi encouraged spontaneous behavior and thought, since he believed that such was a reaction to reality as it truly is, rising above societal and linguistic limitations.

Smashing Watermelons on the Beach, page 10

This is a traditional summer game for children in Japan. Like piñata games, the player is blindfolded and given a stick. Unlike a piñata, the watermelon is left sitting on the sand (or on a blanket on the sand) so Natsu's direction of "up" would make no sense. Once the watermelon is smashed, all the children divide up the watermelon pieces and eat it.

Dandy, page 20

There are many words that make their way from English into Japanese and get their meanings changed along the way. The word "dandy" doesn't mean the same in Japanese as its present English definition of a fop or a shallow, fashion-obsessed man. One Japanese dictionary starts off its definition with "a real gentleman." That is probably what Mashima-sensei was thinking when he wrote Wally's character. Since Wally got the word from the lacrima crystal movie Dandy Hard, I couldn't use "gentleman" or any other English word that might more closely indicate the Japanese meaning.

Get it?, page 23

This is an approximation rather than a translation. In Japanese, Wally uses the sentence ending particle ze at the end of most of his sentences. The way Wally uses the particle is the same way men use it when they are trying to act tough — like in the yakuza or in a street gang. The "get it" in English sounds a little like the tough character that Wally wants to be.

Big Sis, page 26

Readers of the manga *School Rumble* will be familiar with the Japanese honorific *nee-san* (or *Onee-san*), which is used by younger siblings when referring to their older sister. However, this honorific can also be used by people who are unrelated to the “big sister,” such as children talking to an older girl or shop clerks who want to address a young lady but don’t know her name. In *School Rumble*, the honorific appears all of the time. But here, only Shô uses it, so I decided to translate it rather than leave the honorific in Japanese.

Are you pumped up?, page 36

This was kind of difficult to translate. This is a slightly unusual phrase in Japanese that Millianna used that means about the same thing as “Are you at top energy?” But it’s also similar to the standard Japanese question, *O-genki desu ka*, which basically means, “How are you?” I had to come up with a distinctive phrase that could be Millianna’s catchphrase without losing the meaning of the original. “Are you pumped up?” seemed like a good compromise.

-ebi, page 102

As explained in the notes for volume 2, some manga and anime characters end their sentences with small, meaningless syllables that are distinctive to the character. In Japanese children’s stories, crabs usually end their sentences with *-kani* (*kani* means “crab” in Japanese). But although Cancer is a crab, he ends his sentences with *-ebi* (*ebi* means “shrimp” in Japanese). It was a little joke in volume 2, but it has also become a part of Cancer’s character.

With Kase-sensei!

Weekly Shōnen Magazine is celebrating its fiftieth birthday!!! And as part of the festivities, I get to draw a manga that is a tribute to Kase-sensei's manga, *Chameleon*. This is a picture of when I conferred with him. I think it's pretty incredible to be able to be in the same photo as a mangaka that I've admired ever since my student days! And that thought was keenly felt throughout the entire interview. Even so, Kase-sensei is a fun guy! But that's only natural since the most interesting manga come from interesting people, huh?

Honorifics Explained

Throughout the Kodansha Comics books, you will find Japanese honorifics left intact in the translations. For those not familiar with how the Japanese use honorifics and, more important, how they differ from American honorifics, we present this brief overview.

Politeness has always been a critical facet of Japanese culture. Ever since the feudal era, when Japan was a highly stratified society, use of honorifics—which can be defined as polite speech that indicates relationship or status—has played an essential role in the Japanese language. When addressing someone in Japanese, an honorific usually takes the form of a suffix attached to one's name (example: "Asuna-san"), is used as a title at the end of one's name, or appears in place of the name itself (example: "Negi-sensei," or simply "Sensei").

Honorifics can be expressions of respect or endearment. In the context of manga and anime, honorifics give insight into the nature of the relationship between characters. Many English translations leave out these important honorifics and therefore distort the feel of the original Japanese. Because Japanese honorifics contain nuances that English honorifics lack, it is our policy at Kodansha not to translate them. Here, instead, is a guide to some of the honorifics you may encounter in Kodansha Comics.

- san:** This is the most common honorific and is equivalent to Mr., Miss, Ms., or Mrs. It is the all-purpose honorific and can be used in any situation where politeness is required.
- sama:** This is one level higher than "-san" and is used to confer great respect.
- dono:** This comes from the word "tono," which means "lord." It is an even higher level than "-sama" and confers utmost respect.

- kun:** This suffix is used at the end of boys' names to express familiarity or endearment. It is also sometimes used by men among friends, or when addressing someone younger or of a lower station.
- chan:** This is used to express endearment, mostly toward girls. It is also used for little boys, pets, and even between lovers. It gives a sense of childish cuteness.
- Bozu:** This is an informal way to refer to a boy, similar to the English terms "kid" and "squirt."
- Sempai/
Senpai:** This title suggests that the addressee is one's senior in a group or organization. It is most often used in a school setting, where underclassmen refer to their upperclassmen as "sempai." It can also be used in the workplace, such as when a newer employee addresses an employee who has seniority in the company.
- Kohai:** This is the opposite of "sempai" and is used toward underclassmen in school or newcomers in the workplace. It connotes that the addressee is of a lower station.
- Sensei:** Literally meaning "one who has come before," this title is used for teachers, doctors, or masters of any profession or art.
- [blank]:** This is usually forgotten in these lists, but it is perhaps the most significant difference between Japanese and English. The lack of honorific means that the speaker has permission to address the person in a very intimate way. Usually, only family, spouses, or very close friends have this kind of permission. Known as *yobisute*, it can be gratifying when someone who has earned the intimacy starts to call one by one's name without an honorific. But when that intimacy hasn't been earned, it can be very insulting.

Meeting
Place of
the Magic
Council:
Era...

And the only possible
way available to us is to
attack the tower using
the Satellite Square,
Etherion!!!

We have to
wipe the Tower
of Heaven off
the face of the
Earth!

We have
to be sure
that Jellal
cannot use
the R-
System!!!

I'm sure
you all know
what that
means.

The R-System
is a forbidden
magic of which
all records must
be obliterated
from history.

Hm...

But...

CHATTER

I see no alternative! I agree to use Etherion.

We must say that to the children when we teach them of the sanctity of human life!

"The dead cannot be brought back to life!"

What?!!

CHATTER

Only one more vote... hm?

We need only one more vote!!

No... just talking to myself.

Did you say something, Jellal-sama?

Sir?

That isn't all. It's probably that Deliora is also a demon from the Book of Zeref.

Wh-When the demon came out of Lullaby, didn't somebody say something about the Book of Zeref?

So Jellal is trying to revive this Zeref?

They say that Zeref had enough magic power to easily create frightening creatures like those.

And even then, he—

But that's only because Jellal threatened your friends' lives if you ever even got close!!

If I am able to defeat Jellal, then it will all be over.

That's enough, Lucy.

SHK

...will mean that the outside world will never hear from me again.

This battle...
...win or lose...

For some reason, those words keep coming back to me.

I wonder if that's really true.

Fairy Tail volume 10 is a work of fiction. Names, characters, places, and incidents are the products of the author's imagination or are used fictitiously. Any resemblance to actual events, locales, or persons, living or dead, is entirely coincidental.

TOMARE!

You're going the wrong way!

Manga is a completely different
type of reading experience.

To start at the *beginning*,
go to the *end*!

That's right! Authentic manga is read the traditional Japanese way—from right to left, exactly the *opposite* of how American books are read. It's easy to follow: Just go to the other end of the book and read each page—and each panel—from right side to left side, starting at the top right. Now you're experiencing manga as it was meant to be!
